Sir:

Per the 21 December 2001 Notice regarding potential USPS mail delays as published through the website [www.uspto.gov](http://www.uspto.gov)., the attached paper is being resubmitted. This attached paper was previously mailed to the United States Patent and Trademark Office on the date indicated on its certificate of mailing, with a return post card that has not yet been received. Thus, it is possible that it will be significantly delayed, or not delivered for the reasons described in the USPTO Notice.

Express Mail Label No. EL457908876US Date of Deposit: February 5, 2002

I hereby certify that this paper or fee is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR §1.10 on the date indicated above and is addressed to the Assistant Commissioner for Patents, Washington, DC 20231.

Signature of person mailing paper or fee

The present Application is a continuation-in-part Application of International Patent Application Number PCT/US00/26373 (filed 25 September 2000) and U.S. Patent Application Number 09/669,316 (filed 25 September 2000), both of which are a continuation-in-part of International Patent Application Number PCT/US99/16519 (filed 21 July 1999). The attached amendment was filed to timely supplement the domestic priority claim with publication information per 37 C.F.R. § 1.78(a)(2). Accordingly, the first paragraph of the specification has been amended to recite the English language publication status of the related PCT applications. Any delay between the date the claim was due under 37 CFR § 1.78(a)(2) and the present filing of publication information about the PCT application was unintentional, resulting from possible mail delays as explained in the USPTO Notice. To the extent it is determined that a petition is needed under 37 CFR § 1.78(a)(3) to make this change without waiver of any benefit under 35 USC §§ 120, 121, or 365(c); please let this submission serve as such petition and charge the corresponding fee under 37 CFR 1.17(t) to deposit account number 23-3030. The Examiner is encouraged to contact the undersigned by telephone to resolve any outstanding matters concerning the present Application.

Respectfully submitted:
